Kevin,

We received a document production from third parties Katie Case and Brianna Koslow, which we forwarded to you this afternoon. In our initial scanning of the production, we noticed certain messages were produced that included you and your co-counsel. Out of an abundance of caution, we promptly stopped our review and are reaching out to Ms. Case's and Ms. Koslow's counsel. We are in the process of determining a manner for return of the documents, which we are doing pursuant to the ESI stipulation, without waiving any argument that the documents are not protected by any privilege and are subject to production.

To the extent the Wayfarer Parties will be asserting any privilege, please provide the basis for that assertion and your availability for a meet and confer tomorrow. We reserve the right to seek *in camera* review of these documents.

Thank you,
Kristin
